01 What we'll make

A pitch framework in Outside Lands branding and six brand decks built on it, each with activation ideas made for that brand, so the partnerships team can sell 2027 faster. Delivered in six weeks.

Pitch framework	Master deck and slide library: audience, on-site assets, tiers, past partner recaps; editable in Keynote, PowerPoint or Google Slides
Brand decks	6 tailored decks, each with three activation ideas, speaker notes and a two-page leave-behind
Concept renderings	3 renderings of the strongest activation ideas, for use across decks

03 Scope by phase

Discovery (week 1). Kickoff with the partnerships team, a review of the 2026 recap and assets, research on the six target brands, and a one-page creative brief you approve.

Pitch framework (weeks 1–2). A master deck built from the festival's brand guidelines and photography, plus a slide library the team can reuse. One review session, two rounds of revisions.

Brand decks (weeks 3–5). Six decks in two batches of three, each built around that brand's audience and goals, with speaker notes and a leave-behind.

Concept renderings (weeks 5–6). Three renderings of the ideas the team wants to lead with. Stock and 3D assets billed at cost.
